Reader's of the OLYMPIAN:

"But I have promises to keep,
and miles to go before I sleep
and miles to go before I sleep."

The words from Robert Frost's poem, "Stopping on a Snowy Evening" served as a compelling force in the production of the 1974 OLYMPIAN. The staff had much hard work to do coupled with their promise to make this OLYMPIAN the best ever. In some areas we have succeeded, in others we have failed; but, at least we have tried.

As you glance through this yearbook, I believe there are several things you should keep in mind. First, and foremost, this yearbook was planned to be "different" from any other OLYMPIAN in the past six years. Secondly, you should compare this book with other OLYMPIANS only, not books from other schools. Life and times at those schools are different consequently their books are different. Thirdly, glance through this book with a sense of constructive criticism. We will appreciate your comments in the sense that they can help make the 1975 OLYMPIAN a better book.

Finally, I would like to take this space to extend a special vote of thanks to our Principal, Mr. Elliott. His cooperation with the yearbook staff was surpassed only by his thoughtfulness and graciousness for granting us favors so that your OLYMPIAN could be completed on time. From all of us on the staff we extend a very special thanks to him. We hope you appreciate our efforts in this book. To the Class of "74" we say goodbye and God's speed--to the underclassman we extend a challenge to all of you to make N.H.H.S. a bigger and better place through our motto:

"But I have promises to keep
and miles to go before I sleep
and miles to go before I sleep."

As always,

The football program in 1973 showed more promise and success than this school has ever experienced. The 7th grade was undefeated, the 8th 1-4, Freshmen 7-0 undefeated, the Junior Varsity 6-1 and the Varsity 3-7. This season's complied records surpassed the records of any previous football program. The Varsity tied for second in the Midwest Conference and missed a tie for the championship by 1 point. This is the best North Newton has done in Conference play.

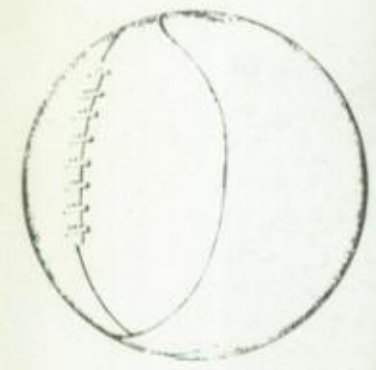
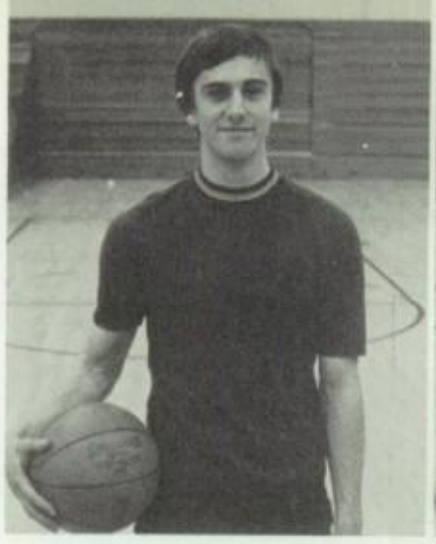
The 9th grade, coached by Mr. Pantos, had a very successful season.

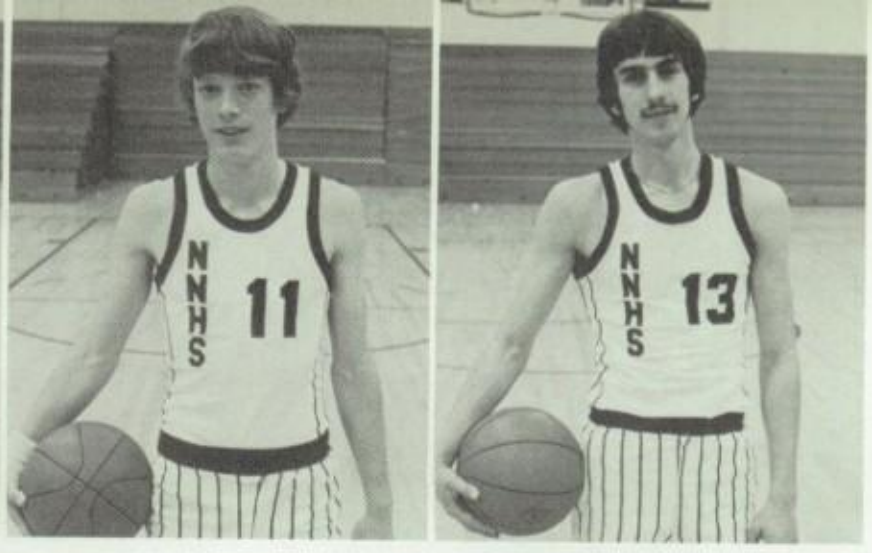
7th & 8th Grade Football

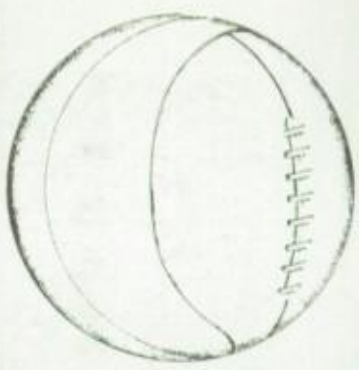
The 7th grade football team, coached by Mr. Brunton, also had a very successful season, with a 4-0 record.

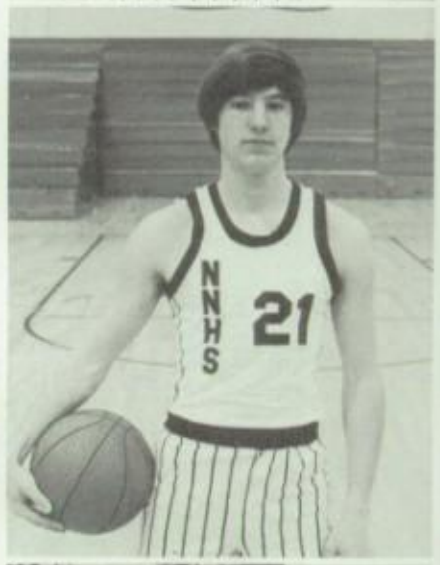
Mr. Eason's 8th grade team finished their season 1-4.

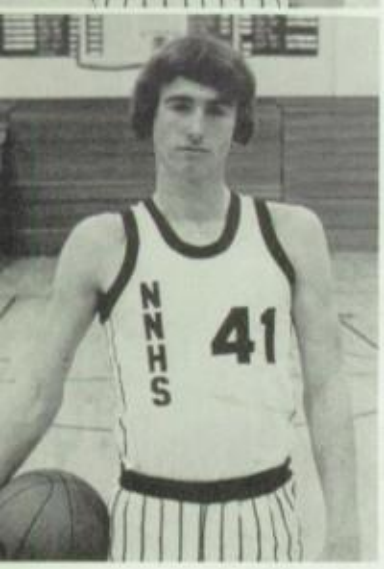












Although the Spartan's record (4-16) was not the most successful, these were many individual and team accomplishment. Some of the high points were achieved by Ron Robinson–most points for a Spartan during a varsity career, Fred Miller–most assist is a season, and Gary Gilmore, who broke several records, some of which were the season point and most points in one game records, along with being named to the All Conference first team. In total, the Spartan broke seventeen offensive and rebounding records.

With the experience gained this year and enthusiasm for the coming year, the Spartans plan on improving future records.

Besides having a winning season, the J.V. team also won a tourney.

C.C. RUNS TO BEST RECORD EVER!

The Cross Country team in their new jackets along with Minute Maids Brenda Clevinger and Jill Myers.

N.N. coming on strong during a duel meet.

This year's Cross Country team may very well be the best in the history of North Newton High School. After losing their dual meet in August, the team ran on to 11 straight dual meet victories. Lead by Greg Methney and Matt Petri the team won the Lake Central H. S. Invitational, where they defeated 11 other teams from Northern Idiana. The team also finished second in their own invitational and ran to an impressive second place finish in the highly touted 21 team Delphi Inv. The biggest disappointment was the teams failure to qualify by one point for the Regional, in the Sectional at Delphi. Seniors: Joe Griffith, Bob Petri, Bob Love, Terry Morgan, Rick Gann will be sorely missed, but next year's prospects are bright.

Individual achievement and dedication are two highly desirable goals set by a team and their coach. This year's swim team consisted of only six young men; however, their dedication to their sport and their school is unsurpassed by any team. Six boys accepted the responsibility normally handled by twelve to eighteen

Even though the season record was void of a win, the team continually worked hard for steady individual improvement.

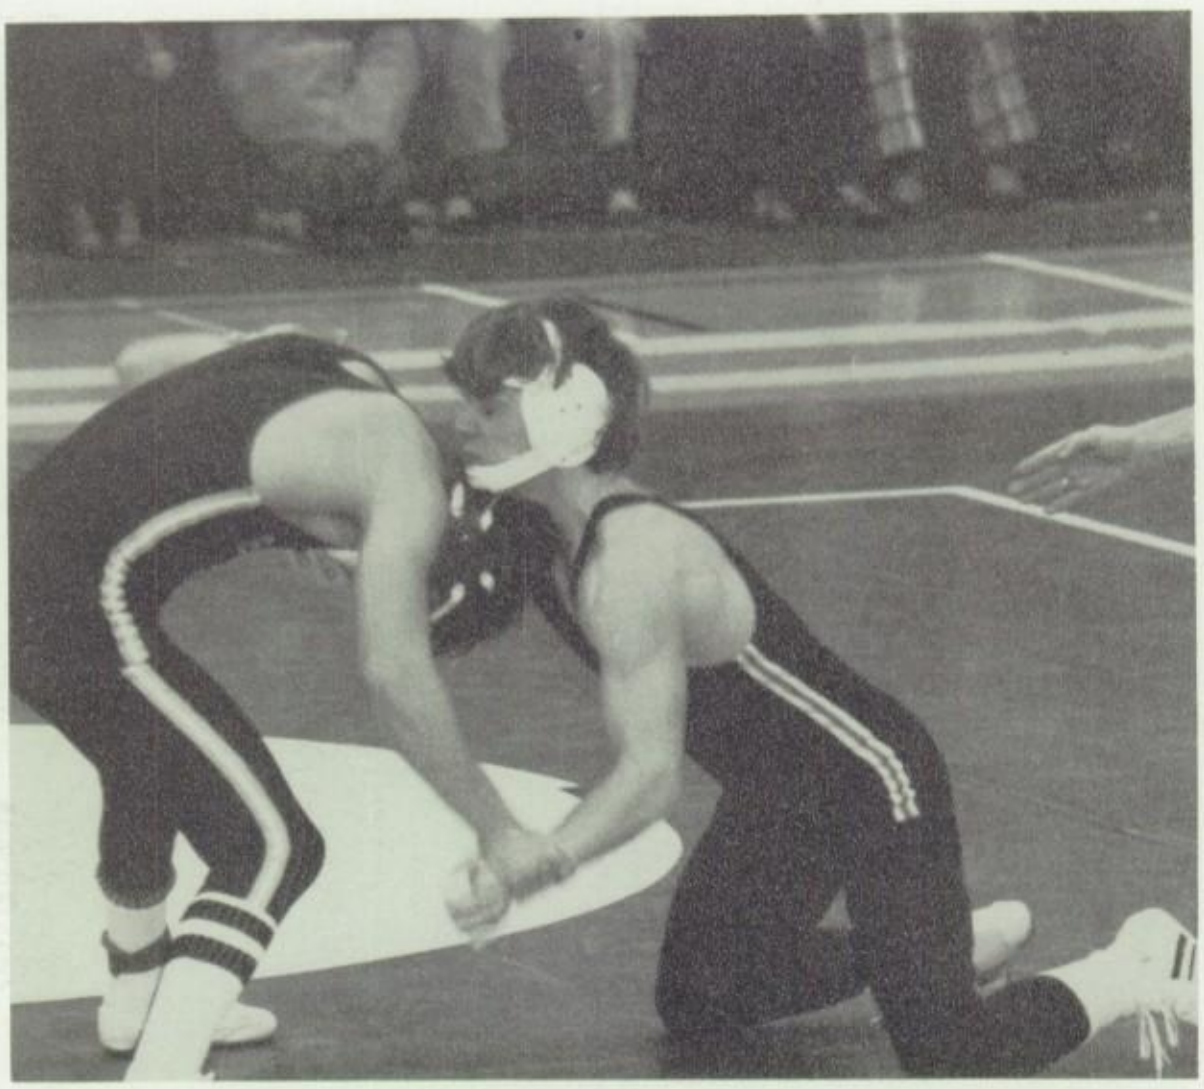
The Spartan wrestlers compiled an 11-2 dual meet record this year while placing 2nd in the Midwest Conference and 3rd in the Rensseaer Sectional. Roger Madison, Kerry Hyatt, Grant Christenson, and Steve Wendelburg all won sectional championships. Roger Madison was also a regional champion advancing to the State Finals at Southport High School.



BASEBALL STARTS SEASON WITH BIG WINNING STREAK

The varsity baseball team has strong hitting power and did very well this year.

The J.V. team has a good set of fielders and hope to make N.N. a winning school in the future.

SPRING TRAINING

The North Newton Varsity Baseball team this season was young and relatively inexperienced, but this did not seem to bother the players or the coach. They started their season by winning their first three games before losing a tough extra inning ballgame. The Varsity squad has 13 members. This group includes 2 seniors, 7 juniors, 1 sophomore, and 3 freshmen. The squad is led by juniors Jeff La Cosse and Robert Guzman who have lettered the past two springs. Tim Meyers and Greg Kaupke both have 1 letter in baseball. John Turbyfill and Carl Meyer are the seniors. The other juniors include Hal Warne, Lee Johnson, and Jeff Manes. Jim Zimmer is the only sophomore on the Varsity. Rick Hendryx, Kerry Brownfield, and Randy Alderson are the youngsters. This team showed much promise and a strong desire to win. This season was a successful one for the Spartans, and Coach Hall smiles whenever the subject of next season's baseball team arises, because 11 of his 13 players will be playing at least another season.

"We really move our tail for you!"

TRACK

A flying leap into victory.

North Newton had the biggest turnout for track this year than ever before. The Spartan team has depth and quality in every event with 45 boys participating. The squad has maturity with 10 Senoirs led by hurdler Dave Kaupke, 2 miles Terry Morgan; High Jumper, Lyle Carlson, and Shot Putter, Randy Belt. Other big point getters were Junior sprinters. Some the the record holders in the Sophomores were Matt Petri, 440 and Rodger Mauck. Joining this group was a strong freshman team that earned varsity points led by Bill Parker, Barry Watson, Jerry Vaughn, Randy Reeves, and Craig Schultz. Congratulations to the entire team and coaches Dick Brunton and Jim Eason.

Although The Curtain Falls

There comes a time for all of us
When we must say good-bye
But faith and hope and love and trust
Can never, never die.

Although the curtain falls at last
Is that a cause to grieve?
The future's fairer than the past
If only we believe
And trust in God's eternal care
So when the master calls,
Lets say that life is still more fair
Although the curtain falls.

CLASS

OF

1975

The sponsors and officers for the class of 1975 are: Greg Kaupke–Prom co chairman, Mr. Pantos, Mrs. Miller, Jeff Mashino–Prom chairman, Chris Hanger–Sec., Mike Warne–Pres., Terri Hale–V.P., Tim Myers–Treas.

Progress began early on some prom scenery.

"KNIGHTS IN WHITE SATIN"

It was a year of political and economic unrest but the junior class remained undaunted as it pursued its search for identity in spontanious ways. The junior class strive to make its mark on the school and succeeded as it surpassed its magazine sale goal of $5,000 reaching a sum of $5,800 towards the prom.

They chose for their class theme "Knights In White Satin", colors midnight blue and silver, flower chrysanthemum, and motto 'Today we follow, tomorrow we lead!'

And lead they did when they won the hall decorating contest and ranked second in the class skit.

While much of the nation was looking back nostaligically to better days, the Juniors spent their time looking to the future– Thanksgiving, Christmas vacation, Spring vacation, and Summer vacation. Still, if white socks do come back, it will be the Juniors who discover them. That is "the way we were."
